General Competition Information

All students wishing to compete at the Educators Rising National Conference must complete 3 required steps:

1. Be a paid member of Educators Rising with an active profile in the EdRising Virtual Campus.
2. Sign up to compete at the national conference and submit any required materials by the deadline. **This is not done automatically if you competed at a state or regional conference.** You must do this on the Educators Rising national website per the instructions and links in the Get Active section of the EdRising Virtual Campus for competitions.
3. Register to attend the Educators Rising National Conference.

- All individual competitions are open to Educators Rising members in middle school and high school. (Students may or may not be affiliated with an Educators Rising school program.) All team competitions are open to Educators Rising programs in middle school and high school. **Please note:** middle school will compete with high school. They will not have their own division. Two competitions are open to college-level students. They will compete in their own division.

- **All competitors must attend the Educators Rising National Conference** on June 22-25, 2019 in Dallas, TX. Competitions will take place on-site at the Educators Rising National Conference on Saturday, June 22 through Monday, June 24, 2019.

- If a competitor is from a state that holds state competitions, they must first qualify in a given event at their state conference before competing in that event at the Educators Rising National Conference. Contact your state/regional coordinator to see if your state offers competitions. Visit [bit.ly/EdRisingAffiliates](http://bit.ly/EdRisingAffiliates) to contact your state/regional coordinator.

- In order to be scheduled to compete in a national competition, all competitor applications, national dues and required materials must be submitted by 5:00 p.m. (Eastern Time), April 22, 2019. Each competition will identify what materials are required for submission prior to the competition. Failure to submit required materials by the submission deadline will result in disqualification. **Students who have won state-level competitions also must submit their entries on the national website by the deadline to compete at the national conference. Your state does not do this for you.**

- For states that offer state-level competitions, the top five places in each competition offered by the state will be eligible to compete at the Educators Rising National Conference; no other entrants from states that offer the competition at the state level will be eligible for those state-level-offered competitions.
For states that do not offer state-level competitions, students may register to compete in those events at the Educators Rising National Conference. (For example, if you want to compete in Impromptu Speaking but place sixth or lower in your state-level Impromptu Speaking competition or don’t compete in the state level competitions at all — you unfortunately can’t compete in Impromptu Speaking at the Educators Rising National Conference this year. If you live in a state that didn’t hold an Impromptu Speaking state-level competition, you may register to compete in that event at the Educators Rising National Conference.) This applies to all Educators Rising national competitions.

For entries in national competitions, competitors must submit or bring to the event all required materials described in the national competition guidelines. Any material or forms submitted at previous presentations (e.g., state competitions) need to be resubmitted for the national competition in order to count in national competitions.

All video files that are submitted in advance must be in .mp4 format. Videos that are not in this file format will not be accepted and will be immediately disqualified. Videos will not be accepted by mail. The maximum file size for any video submitted in advance is 2 GB. All competitors should also bring a copy of the video file on a USB drive to the conference. Educators Rising competitions comply with FERPA in regard to student privacy and video security. Competitors are responsible for ensuring that their competition videos comply with local and state requirements regarding student privacy.

Except when explicitly specified, the Internet may not be used during a competition presentation at the Educators Rising National Conference. All relevant files and resources should be brought to the competition site on a USB drive. All Prezi files should be downloaded to the USB drive. Internet access may not be available during the competition. Students should bring their own pointing device, if needed.

Students may enter up to a total of two combined events.

Teacher leaders may enter up to two students per school in each individual event and one team for team events. All team events must have at least two students (and no more than four) per school to qualify.

Competitors must report to their assigned areas on time. Failure to report at their scheduled time can result in disqualification. Competition schedules will be posted in the Virtual Campus prior to the conference. Be sure to check these schedules prior to your arrival.

Spectators may not coach or offer any verbal or nonverbal assistance to a contestant during that contestant’s assigned time slot with the judges. A breach of this guideline may result in disqualification of the contestant.

Spectators may not record any competition without prior consent of the competitors and judges.

Competitors are expected to dress in business-casual attire. (For a detailed explanation of what is and is not permissible as “business casual,” see here: humanresources.about.com/od/workrelationships/a/dress_code.htm.) Points will be deducted from the entrant’s score for failure to follow the stated dress code.

2019 PUBLIC SPEAKING COMPETITION

COMPETITION TYPE: Individual — Open to spectators

ELIGIBILITY: Educators Rising Middle and High School Students

EDUCATORS RISING STANDARDS:

• Standard I: Understanding the Profession
• Standard II: Learning About Students
• Standard VII: Engaging in Reflective Practice

Contest Purpose

Self-composure, confidence, and the ability to clearly articulate and communicate information are valuable skills for all educators. The Public Speaking Competition is designed to highlight students who demonstrate these qualities by combining thoughtful preparation and confident delivery into an interesting presentation on a current education topic.

Students participating in this competition will compose and deliver a speech of approximately 400 to 600 words (three to five minutes when spoken aloud) on the assigned topic. Contestants will be delivering their speech in front of on-site judges.

Assigned Topic

In 2015, the United State Department of Education released the “Equitable Access to Excellent Educators” report which provided state-level data and plans for addressing the equity gap in education. The equity gap represents differences between the rate at which students from low-income families or students of color are educated by excellent educators and the rate at which other students are educated by excellent educators.

The report revealed that students in high-poverty and high-minority schools are disproportionately taught by inexperienced, unqualified, or out-of-field teachers.

How can school systems better understand and make progress on advancing educational equity for underserved youth?

Competition Guidelines

A. The speech must be about the assigned topic. Research and use of data are encouraged.

B. The length of the speech should be approximately 400 to 600 words (three to five minutes when spoken aloud) in length.

C. Two copies of the Public Speaking Competition speech script must be brought to the competition and given to the judges at the start of the contestant’s presentation.

D. The contestant may use up to five 4x6-inch index cards while delivering his or her speech. Only one side of each index card may be used for notes.

E. Each presentation is to be a minimum of three minutes and a maximum of five minutes. A timekeeper will record the time used by each contestant, noting deductions of three points for each full half-minute (30 seconds) over the five-minute maximum or under the three-minute minimum. In order to adhere to the schedule, the judges will stop any speech that exceeds six minutes.

F. Contestants will receive a visual, non-verbal indication that there is one minute remaining.
when they reach the four-minute mark of their speeches.

G. A lectern and microphone will be available for the presentation.

H. One visual aid may be used, but this is entirely optional. AV equipment will not be available for this competition.

Judging and scoring

A. The judges’ decisions are final.

B. Scoring is based on the Public Speaking Competition rubric.
